### FROM THE PRINCIPAL'S DESK

**Mr. Vishnu Gupta**  
Principal

The child is at the heart of a school, giving it meaning and purpose. It is the education of today that will determine if the children of tomorrow will uphold and honour the most important human Qualities of compassion, sensitivity and peaceful co-existence. Their experiences today will guide their actions and convictions when they Are world citizens. At our school we provide internationally benchmarked and research Driven education. We pride ourselves in being an institution that provides holistic education for the all-round development of the Child, with Excellence in Academics and Excellence in behaviour as our mission.

### SCHOOL NEWS

During the month of February, the Cambridge International School conducted Various activities for all classes. The main aim was to give children an opportunity to learn unlearnt skills and show their hidden talent.

### OBJECTIVES

**At CIS, every child is special and our objective is to provide every student with the support they need to:**

- a) Be healthy
- b) Stay safe
- c) Enjoy, Discover and achieve through learning
- d) Make a positive contribution to society

### CELEBRATIONS & ACTIVITIES

School begin every day with assembly for our students in the school campus. The Assembly is based on a theme that is managed by a particular class according to their turn. In the assembly a teacher who is the guest speaker gives a meaningful message to the students and the students presents and demonstrate various creative ideas.

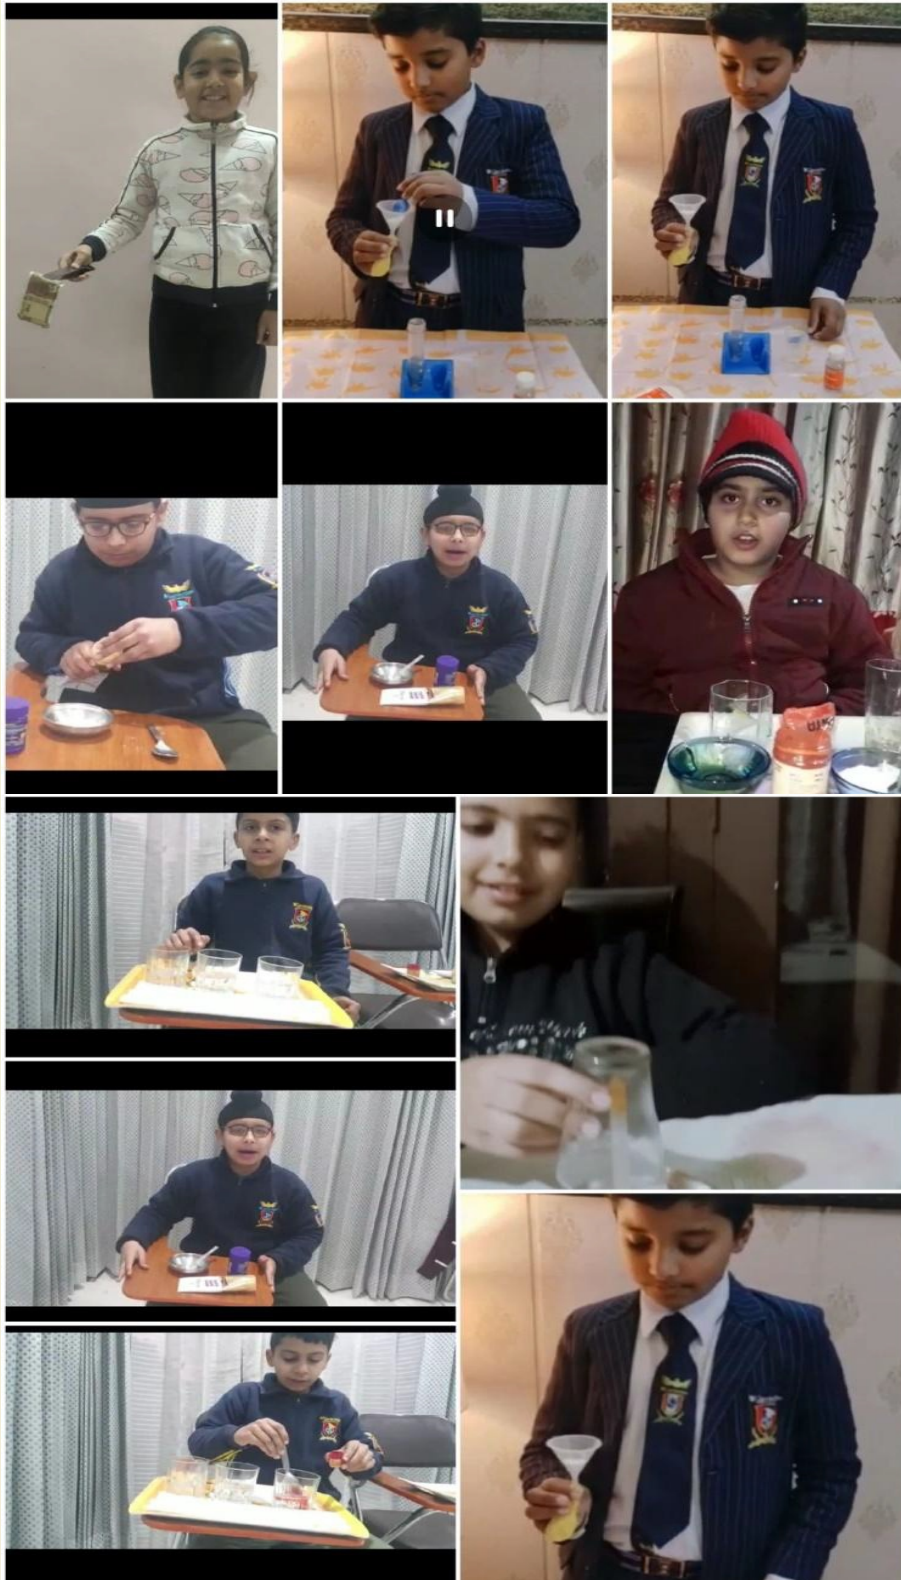

## Basant Panchami

Basant Panchami was celebrated online on 5th February 2022. The festival of Basant Panchami is associated with yellow colour, a colour of spirituality. The colour holds a special meaning for this celebration, as it signifies bright yellow sunshine, brilliance of nature and the vibrancy of life. During this season, the fields in the countryside, especially the rural areas of Punjab, are brightened with yellow colour of mustard crop, which adds to the spirit of the festival. As a part of the traditional celebrations, people wear yellow coloured clothes, cook kesar halwa or sweet rice with saffron and offer yellow flowers to the God.

## "The Science of Today is the Technology of Tomorrow"

Cambridge International School has organized a "Little Scientist Competition" in grade 4 to explore the creativity, curiosity and observation. It was under CCA activity. Students have participated in this competition with great enthusiasm.

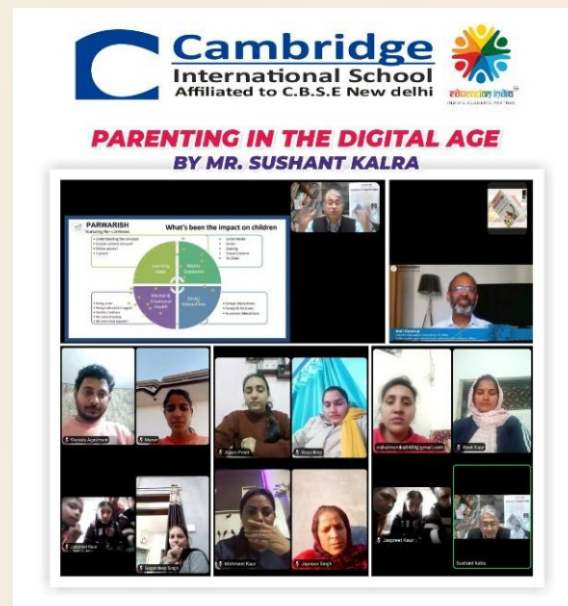

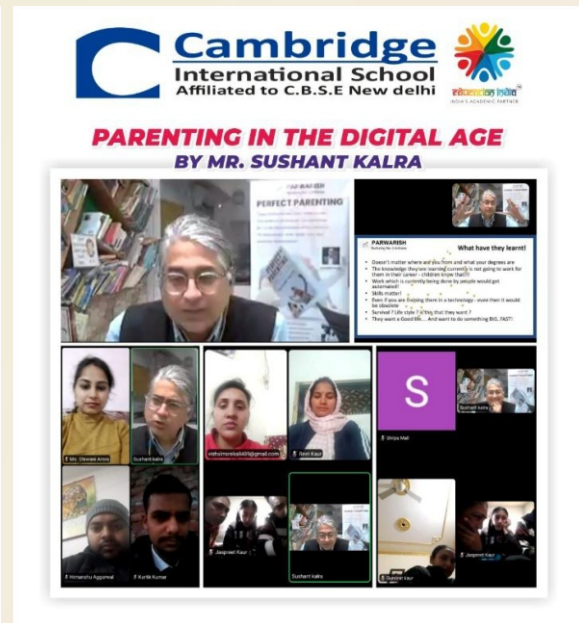

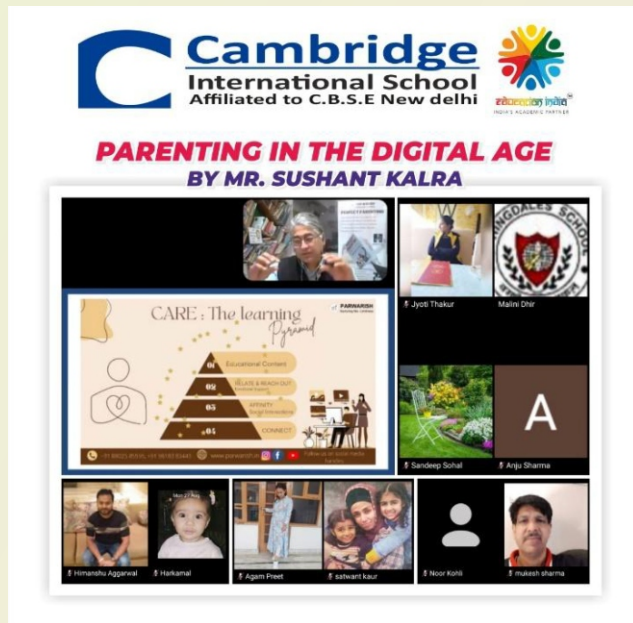

### Webinar on parenting

Cambridge International School conducted a webinar on "Parenting in the digital age" on 10 February 2022. This webinar was conducted by Mr. Sushant Kalra. It was organised by Education India. More than 600 parents attended this webinar and attained knowledge about caring the child. It emphasised on three major goals:

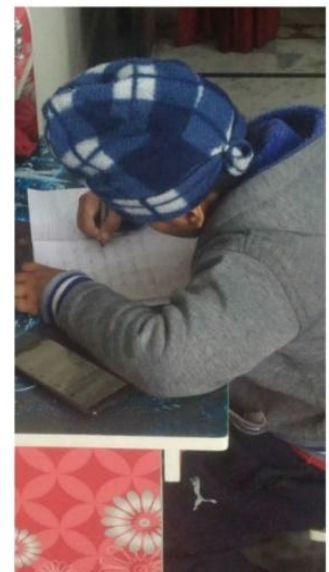

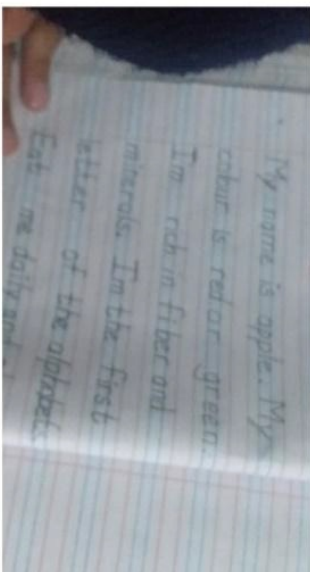

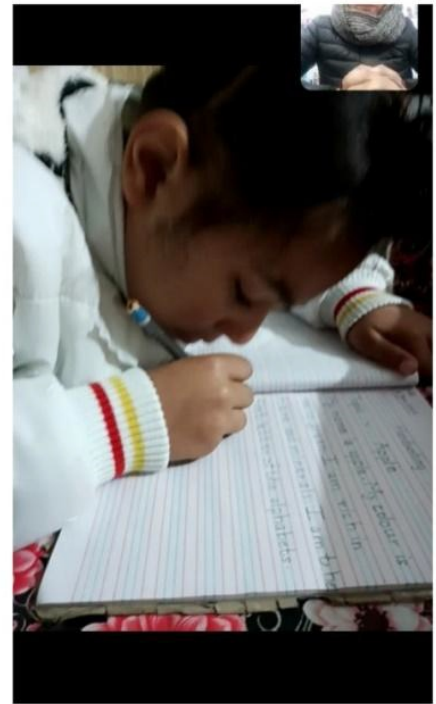

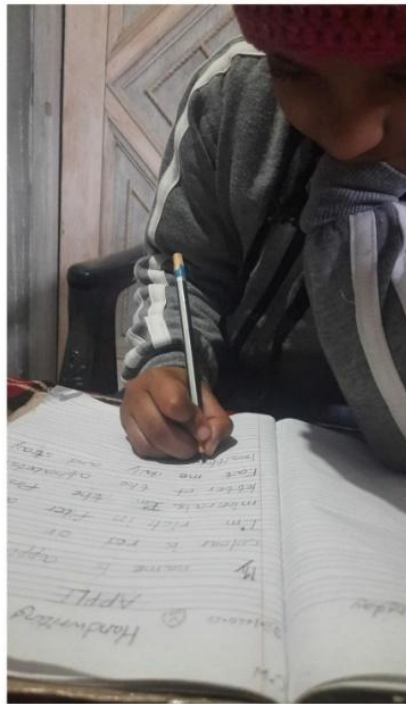

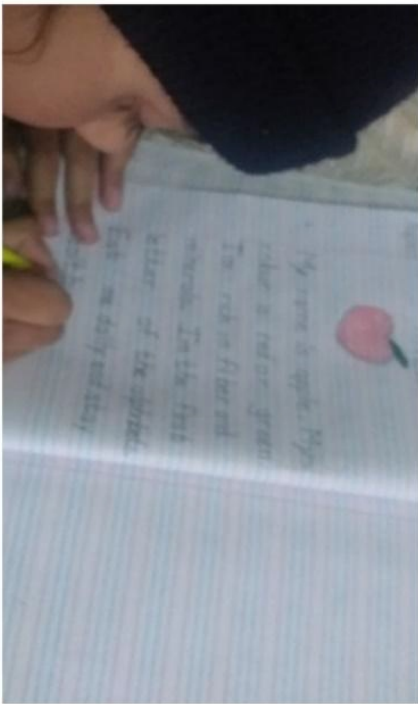

1. Ensuring children's health and children for life as productive adults
2. Transmitting cultural values.
3. A high-quality parent-child relationship for healthy development.

This seminar took place successfully. Huge number of parents wants that school management organise such events for children's growth, in future also.

## Creative Writing

The students were geared up and were looking forward for various activities that educate, brighten and enlighten the young brilliant minds. Since this was the day one of the CCA activity of the month. An opportunity was given to them to express their views in the new class with a new feel. This CCA activity was based on creative writing wherein, the students of kindergarten expressed their feelings why they love their school. It was an amazing writing exercise where students wrote their heart out about their school.

### Home visit

Cambridge International school Gurdaspur believe to building relationship with all it's parents. During the Covid19 we were teaching online. According to Govt directions we can't call the parents for meeting in the school. For this we usually visit home to our parents to know the feelings and take the feedback of them. It encourages and motivate us in our working and we provide the best education to our students.

### Science Exhibition

**"Science may set limits to knowledge, but should not set limits to imagination".**

A science exhibition was organised by Cambridge International School on 24 February 2022 at the school premises. Students explained various projects to the visiting audience. The exhibition ranged from posters, projections, charts and working models. The chief guest Ms. Sukhdeep kaur Nagi, Ms. Vrinda from Education India and Principal of the school Mr. Vishnu Gupta encouraged students for their performance. This exhibition was an excellent opportunity for students to display their talent and learn more beyond their text books.

### Staff Meeting

On a regular interval we have staff meetings to evaluate and to plan out the various activities and academics. During this month we had staff meetings which enabled the staff to plan meticulously and to execute it in an effective manner.

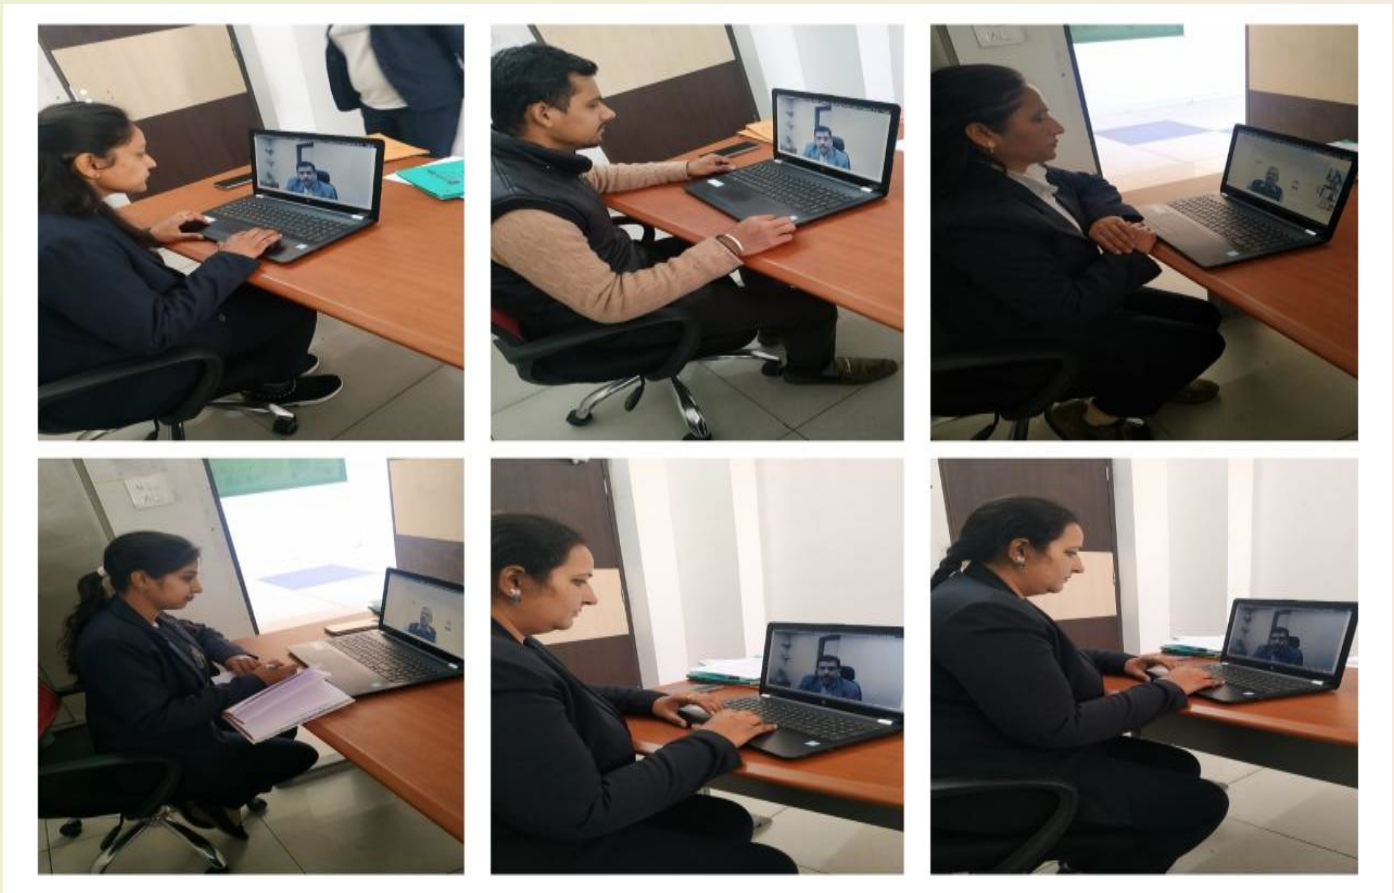

### Webinar for Teachers

A webinar was conducted for the teachers from COE - CBSE on various subjects / topics.

1. How to create impactful MCQs, MCQs for Reading Comprehension.

Webinar was also conducted by CBSE for subject teachers in the month of February 2022. The resource person was very informative and enlightening. In the webinar we were informed about inclusive Education, which is a flexible system of education. It aims to provide good quality education to all learners.

### Monthly Meeting of Mothers Club

Cambridge International School in collaboration with Education India had inaugurated Mother's Club. In continuation of this school have called a meeting of Mother's Club in the school premises. So many club members were attended the meeting. Principal Mr. Vishnu Gupta was explained about various activities and active participation of the club members.

### Cleanliness Drive

The Cambridge International School, Gurdaspur organized Cleanliness Drive with Mother's Club. The main objective of this activity was to spread awareness among the students and society about the significance of cleanliness and its benefits. All the students from classes 1st to 9th had participated in this activity. Students visited various places of the city and perform the activity in a successful manner. Members of mother's club and teachers were also the part of this activity.

## Virtual PTM

Parent teacher meeting was conducted for the students virtually. Individual time slots were given to each parent to discuss the performance of the students with all the subject teachers. Maximum number of parents attended the meeting and discussed various aspects on how to assist the students in their most important moment of their academic life.

### STUDENT'S TALK

"Some people believe and develop a plan. Some people doubt, never think that they can. We all have a choice, we all have a say we are spectators in life or we get in and play" I Feel proud to be the student of Cambridge International Gurdaspur. With strong academic foundation so many co-curricular activities boost our confidence. The teachers are making best efforts to give quality education to us. Thank you so much for being my Learning Coaches and for helping me is successful in school.

**Aarav Gupta**  
Grade VII

### STUDENT'S TALK

I am Bhargav from IX grade. I'm really fortunate to study in the Cambridge International School. I am enjoying my school days with friends and my teachers. All teachers are very friendly and motivate me to score good marks.

**Bhargav**  
Grade IX

### PARENT'S TALK

My son Hemaksh Bamotra was admitted to Cambridge International school Gurdaspur. In the safe and secure environment that the school provides the transitioned from a shy kid to a confident and happy student. Teachers are also very open to parental feedback and made sincere efforts to implement recommendation to extent possible. The school maintains strong safety standards and an impressive level of hygiene. We are extremely happy with all that Cambridge International School. We pray that school continues to grow and strengthen their core vision that makes them stand apart from other schools.

**Rama Devi**

### PARENT'S TALK

My daughter Harlagan Kaur studies in Cambridge school. I am very happy to send my daughter to this school. She is improving a lot. Teacher's guidance is very useful and helpful for her. Other than studies, she is doing well in the extracurricular activities. Conducting such activities helps children to bring out their hidden talents and abilities. I feel fortunate to send my daughter to such a prestigious institution.

**Harmandeep Kaur**

## TEACHER'S TALK

“Education is the most powerful weapon which you can use to change the world” – Nelson Mandela.

In my perspective Education is an important aspect that plays a huge role in the modern, industrialized world. People need a good education to be able to survive in this competitive world.

Modern society is based on people who have high living standards and knowledge which allows them to implement better solutions to their problems.

Education in modern society is the form of learning whereby students are taught and equipped with knowledge and skills that will enable them deal with the issues of the present world.

**Ms. Varinder Kaur**

## TEACHER'S TALK

Home and school are the places where a child learns moral ethics. Thus, the education system should ensure to essential habits and practices to keep a child close to morality. Children must be instructed right from the beginning and their childhood to practice honesty. For all human problems honesty is the ultimate solution.

**Ms. Monika**
