About Us

Education is a shared commitment between the Dedicated Teachers, Motivated Students and Enthusiastic Parents with high expectations.

Cambridge International School, Gurdaspur aims to provide education in its true senses. Inspiring and preparing every student to achieve his/her personal and academic excellence through the theory of Multiple Intelligence in which each student comes to school as an individual who has specific intelligence.

Thereby, facilitating emancipation and liberating an individual to explore and achieve new heights.

FROM THE CHAIRMAN'S DESK

Mr. Nirmal Singh Nagi
Chairman

"It is from the tiny acorns that the mighty Oaks are born."

It gives me immense pleasure to have witnessed the rapid and progressive accomplishments of the school since its inception. Cambridge International School, Gurdaspur has been providing a pleasant platform to the students by carving their potentials and personalities.

The hard work and the challenging tasks undertaken by the faculty are commendable. The talented students have glorified the name of the School in various spheres.

My best compliments and benedictions.

FROM THE PRINCIPAL'S DESK

Mr. Rishi Kochhar
Director (Op)

Dear Parents and Students;

A Warm Greeting To All Of You,

I do appreciate all of you dear parents for your cooperation that you render to this institution for this year 2022-23. With your well wishes and encouragement. We are successful in completing the first term.

The first thing that a parent expects from the school is the happiness of your ward and we are able to create an environment, where learning is enjoyable. This also means that children should fall in love with the very idea of learning itself. This prompts them to learn at all times. I do acknowledge the active involvement of you dear parents in the development of your kids.

I do hope that you are taking good care of yourself and your family members and also spending quality time with them. This is the time which will always be remembered by your child as you play with them, help them

in reading and understanding story books, sharing your values with them and relive your own childhood. I believe, that every problem should be a chance for us to do our best and as the leading school we are always committed to provide the best solution.

SCHOOL NEWS

During the month of May 2022, The Cambridge International School conducted variety of activities for nursery to X.

The main aim was to give children an opportunity to learn unlearnt skills and show their hidden talent.

OBJECTIVES

To enhance self-esteem and the ability to value each person's own worth through a happy, caring, enriching and secure environment.

- To develop an awareness of self and self-confidence.
- To develop sensitivity to others.
- To develop self-discipline.
- To develop self-esteem.
- To develop acceptable behaviour.
- To develop cooperation.

SCHOOL ASSEMBLY

The morning assembly in CIS begins with a prayer followed by five- minute meditation. The students stand in rows class-wise. The assembly presentation is done section-wise on a theme stated in students' handbook. The students read out quotations, deliver speeches or enact a role play on the given time. The assembly concludes with the National Anthem. Teachers also addresses the students from time to time either on important occasions or to disseminate information about different topics .

International Fire fighter's Day

The task of rescuing people from burning buildings and vehicles requires a special kind of training and the day **celebrates the community's courage**. International Fire-fighters Day was instituted after the tragic death of five fire-fighters who lost their lives while trying to douse a wildfire in Australia in 1998.

A fire safety evacuation mock drill was conducted in **CAMBRIDGE INTERNATIONAL SCHOOL GURDASPUR** and whole of the school was a part of it.

The school Assigned one helper each day to hold a bell or other "alarm" and choose any time throughout the day to ring it and shout "Fire! Fire!" and for the kids to evacuate, sign boards were there and everyone evacuated accordingly.

The objective of this mock drill is to review the emergency preparedness plan of the organization and evaluate standard operating procedure, so that concerned persons would deliver their duties effectively while keeping in cognizance of life and property.

Activity- Fun Buttoning

Using a few fun buttoning activities is powerful when it comes to teaching kids how to button. When you add fun button practice to the **functional task** of learning to button a shirt or pants, kids can gain independence. Let's check out some fun buttoning and unbuttoning activities that kids will love. Get ready to fasten a button and build skills!

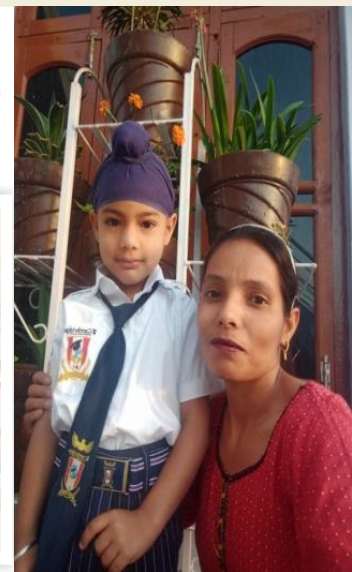

Mother's Day

Mother's day is the celebration which is one of the favourite occasions particularly of the children.

On this day they celebrate their mother's love!! A mother is the emblem of love and she selflessly showers upon all the affection she has on her children. She is the person, who, without the intention of getting anything in return sacrifices all her needs and wants just to get their children's needs get fulfilled. Without the presence of Mother, our own existence would not have been possible.

On this account, CAMBRIDGE and its students of grade X proudly organised an event for the mothers.

Later on, the members of mother club enjoyed the event with numerous games and enjoyed it really well!

Poem Recitation Competition

"Poetry is the rhythmical creation of beauty in words" –Poe.

Recitation competition for Nursery to K.G. students were organized to develop speaking power and reciting power among the students.

International Day of family

On INTERNATIONAL FAMILY DAY, Students of CAMBRIDGE INTERNATIONAL SCHOOL celebrated the day with all the zeal n happiness!

As school is also a family where we study, play, eat ,learn, enjoy the events altogether, so we had a photo-esque !

On the special occasion of International Family Day students from grade IX and X with their class teachers visited Vridh Ashram Dhariwal for the act of charity. Students presented gifts as token of love to well aged and mentally disordered.

The purpose behind this visit was to help the Senior citizens in all the possible ways the students could.

The students showcased their love for their families by making Family Tree, Greeting cards, Photo frame and conducted debate, dance and music performances.

Activity- Good Table Manners

Whether you are eating at home, dining out, or having dinner with friends, good table manners for kids are an important part of every meal. When you teach your child good mealtime etiquette, you are giving them important tools for social interaction that will serve them for the rest of their lives.

Good Table Manners Activity for Nursery to K.G. II students were organised to develop Table Manners among the students.

Get together of 9th and 10th

CAMBRIDGE INTERNATIONAL SCHOOL was organised a get together for previous grade-X. Some games/ cultural items and lunch were organised by the current grade-X.

Guided about the options available to them after grade-X. The program ended by a vote of thanks given by previous grade-X.

Formative assessment-I

Exams or Examinations form an integral part of our education system, as it is a way to test the ability of the students, how much were they able to grasp what was taught to them. They act as a milestone, which must be successfully cleared to get promoted to the next class.

We know that most of students are afraid of exams, but the matter of fact is that exam are just a medium to express your level of understanding in a particular subject. Although you student will be judged by their parents and teachers based on the marks obtained in exams, remember that even if students were not able to score as per their expectations, they should not lose the **motivation** to study.

STUDENT'S TALK

I have been studying in this school since few years and i didn't face any kind of difficulty here. Teachers are so polite and caring as well as they always helps us in studies. I have seen a good impact on my progress and improve my confidence too. The way of teaching is amazing and teachers make the concept easy and understandable. There are so many curricular activities such as music, dance, art and so many games like basketball, cricket, badminton, Judo, Skating etc. Besides this, the facility of learning French and German language is also available. It is a great opportunity to pursue studies in this esteemed organization.

Jasleen kaur
Grade VIII

STUDENT'S TALK

I am studying in this school since four years and I didn't face any kind of difficulty here. teachers are so polite and caring. they always helps us in studies. I have seen a good impact on my progress and have increased my confidence too. the way of teaching is amazing and teachers makes the concept easy and understandable. there are so many curriculum activities such as Music, Dance, Art and Craft and so many games such as Basketball, Cricket, Badminton, Judo, Skating etc. It is an amazing school and it is a great opportunity to have this school.

PARENT'S TALK

I am Simranjeet kaur and my daughter palakpreet kaur is studying in 6th grade in this school. the teachers teaching here are very hardworking as not only they teach in the school but also know the students at a personal level. they make the students feel comfortable to ask questions and to tell their views. during Covid-19, the teachers tried their best to educate students and also keep them active with other activities. As by knowing this school, i know my daughter's future is in good hands.

PARENT'S TALK

I am Anku Minhas, mother of Manya Minhas of grade 6th. She is studying in Cambridge International School since grade 2. I have seen ample of positive developments in my daughter throughout her journey from grade 2 to grade 6. Be it communication skills, extra-curricular activities, music or anything. Whatever the school organises, she is doing great in each and every field. And I am very contented because of this. I am really thankful to the school management and faculty members for providing such a majestic education to the children. All the teachers are doing their best and are always nurturing the kids by providing guidance. The school always ensures and believes in students-teachers as well as teachers-parents interaction program. We are happy that school not only tries to involve students but parents also in the school curriculum by conducting various activities in the school premises. I am impressed a lot at the level of education that my child is gaining from this institution. A big applause to all who are associated with the school.

Mrs. Anku Minhas

TEACHER'S TALK

Power of Positive Thinking

A positive outlook on life is one of the most powerful assets one can have. Positive people expect success, good health, happiness, wealth and good relationships and those things tend to show up in their lives. This is not because they are already successful, or because they are more confident and thus more outgoing, it is simply the attitude. This is a basic law that attract' positive thoughts breed positive results. Your thoughts are much more powerful electric signals between synapses; they affect your life and those around you.

Life is hard but still, you have to live. Life is full of bad as well as good events. Ignore frame breaks in life and cherish good ones. Maintain a positive frame of mind. That is what will keep you moving on.

Mrs. Daljeet kaur
