"Community is about doing something together that makes belonging matter". ~ Brian Solis

Dear Parents and Guardians,

A Warm Greeting To All Of You,

We, at Cambridge International School, ensure high quality education which motivates and empowers our students to be lifelong learners and productive members of the society. At CIS, education is not just the amount of information that is put into a child's brain. Our education system is the one that cater the individual needs of our students.

We want all our students to achieve their full potential. Our task is to make it possible and our mission is to provide a platform for the same.

Success for all students is ensured at our school by the delivery of an enriching, child centred, balanced and structured curriculum and a whole school focus on student welfare that focuses on the positive recognition of student achievements

We truly have a fantastic school with a supportive and involved parent community, dedicated and highly skilful staff, excellent resources and buildings and the most fantastic students to work with. We are very sure that with the help of all the stakeholders and with their continuous support, we will be able to take our school to the next highest level of excellence. At our end, we shall continue working with you for the best interests of our beloved students and our community at large.

Our commitment to our community is to lead the school with enthusiasm and passion to enable us to reach our goals. Let us work together to make CIS as the best school, it can be. We look forward to welcoming you to be part of our vibrant learning community.

PRINCIPAL'S MESSAGE

"Education is our passport to the future, for tomorrow belongs to those who prepare it for today " by Malcolm .X

Dear parents, children and well wishers,

Warm greetings to all from the family of Cambridge International School, Gurdaspur. it gives me immense pleasure to share my vision with you all learning is not a process limited to classrooms libraries laboratories only nor does it end with the conclusion of one's career it is never ending process. our school is oriented to provide the opportunities for the complete mental physical and emotional development of the young minds in conductivity atmosphere. we also believe in inculcating human values in order to brace them for the future and to prepare them as enlightened citizens of India. our team is taking pain for making education an enjoyable process and not an imposed dull and monotonous process . we are working as a team towards excellence with all the conviction and commitment but we always welcome your valuable suggestions for improvement to conclude I would like to quote Michael Jordan " Talent wins games, but team work and intelligence win championships." so let's join hands to magnify the success of institution.

with best wishes to all.

SCHOOL NEWS

During the month of September 2022, The Cambridge International School conducted variety of activities for nursery to XI

The main aim was to give children an opportunity to learn unlearnt skills and show their hidden talent.

OBJECTIVES

To enhance self-esteem and the ability to value each person's own worth through a happy, caring, enriching and secure environment.

- To develop an awareness of self and self-confidence.
- To develop sensitivity to others.
- To develop self-discipline.
- To develop self-esteem.
- To develop acceptable behaviour.
- To develop cooperation.

CELEBRATIONS & ACTIVITIES

School Assembly

The morning assembly in CIS begins with a prayer followed by five- minute meditation. The students stand in rows class-wise. The assembly presentation is done section-wise on a theme stated in students' handbook. The students read out quotations, deliver speeches or enact a role play on the given time. The assembly concludes with the National Anthem. teachers also addresses the students from time to time either on important occasions or to disseminate information about different issues.

"SHAPE O MAGIC" MEMORY GAME

The ability to accurately identify shapes is a foundational mathematical skill, and it is quite rewarding for children because their world is full of shapes. Understanding shapes enable students to be more in tune to the world around them and see the connections between objects. Keeping this in mind Cambridge International school conducted (shape O magic) activity for Grade 1 and 2 students. Students enthusiastically took part in this activity and enjoyed a lot.

Teacher's day celebration

Every year 5th September is celebrated as the birth anniversary of Dr. Sarvepalli Radhakrishnan who was a great teacher, President of India, and above all a great teacher. Teacher's Day is celebrated as a tribute or thanks to all the teachers who helped their students by encouraging them to walk on the noble path to achieve something in life.

Math league

Cambridge International School had organised an activity of Math League for grade V and VI. The purpose behind this activity was to build problem solving skills in students. It enhances their logical and intellectual thinking .

YOGA (way of life)

Yoga is a way of life. Having its origins in ancient India, Yoga is all about the system that aims at the holistic wellness of humans including the body, mind and the spirit. The idea of International Yoga Day was conceived in order to spread the awareness about the invaluable benefits of Yoga among the world community for physical, mental and spiritual well-being. On this day, Cambridge International school organized Yoga camps and awareness programs with the enthusiastic participation of their students and teachers.

Grand parents Day celebration

To express the gratitude towards grandparents, a wide range of activities were organized on grandparents Day with incredible gusto and zeal by the students of Cambridge International School Gurdaspur, . The proclamation, establishing National Grandparents Day stated three distinct purposes: To honor grandparents; To give grandparents an opportunity to show love for their children's children; To help children become aware of strength, information and guidance older people can offer.

All the grandparents applauded overwhelming zeal and enthusiasm of the students for making such a glorious event to cherish forever.

Let's Play Sudoku

Who says math can't be fun? Math puzzles (Sudoku) are a delightful challenge!!! at CAMBRIDGE INTERNATIONAL SCHOOL a math puzzle has been conducted for grade VII and VIII. At a basic level, playing a game helps a child gain an understanding of the rules and practise maths, but as they improve, they can think more strategically and push themselves further.

STUDENT'S TALK

I am Yashika of grade 11 th studying in this school from last 4 years .School is the first and foremost stage where a child learn to become one of the civilized human beings .So I found that this school offers a creative and imaginative platform for all the students .

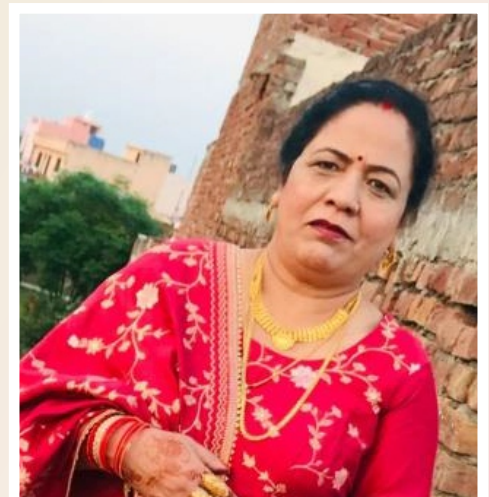

Teachers are very passionate and always try to teach the new concepts in a creative and understandable way. Our teachers always taught us that we always learn as much as we can because education is our passport to the future and learning is like a treasure to explore the world. All the teachers are very cooperative and helpful . There are also many interesting and knowledgeable books in the library which gives us lot of information . At the last I would only say that my school is the best school in the city and I am very proud to be the part of Cambridge international school

TEACHER'S TALK

My name is Sarbjot and I am kindergarten teacher and I am working here since last six months

"Teachers are the backbone of any country.the pillar upon which all aspirations are converted into realities".School is the second home of the young minds where they spent few hours daily with their fellow mates and learn under the guidance of a teacher. It's every parent's dream that their children have access to the best quality education for their personal growth and professional wealth. Only a good school can provide quality education to shape the minds of children and improve their skills and expertise for a bright future. Cambridge School is one of the best schools in Gurdaspur and exhibits all the qualities of a good school that makes education excellent for its students
